SRNS Family Scholarships to be Awarded

AIKEN, S.C. – (May 6, 2010) – Fifteen students have each won a \$3,000 Savannah River Nuclear Solutions, LLC (SRNS) Family Scholarship, and will receive their scholarships at a ceremony on Wednesday, May 26, 3 p.m., Newberry Hall, Aiken, S.C.

These winners are sons and daughters of SRNS employees. This program rewards graduating high school students on the basis of general ability, leadership, and scholastic achievement.

“This is an excellent opportunity for us to demonstrate to our employees and their children the value our company places on a good education,” said Garry Flowers, President and CEO, SRNS. “We want to recognize the top students participating in this competition and emphasize our appreciation for them and their parents. It would be very satisfying if someone in this group turned out to be a future scientist at the Savannah River National Laboratory or other leader in service to our Nation.”

The winners are:

- Aric W. Berning, Aiken High School, son of Duane Berning, Project Management and Construction Services
- Jeffrey D. Bickley, North Augusta High School, son of Donald Bickley, Nuclear Materials Operations
- Breanna K. Burkes, South Aiken High School, daughter of Lynn and Greg Burkes, Chief Information Officer and Information Services and Office of the President
- Diane Choi, Lakeside High School, daughter of Alexander Choi, Savannah River National Laboratory
- Deema Elchoufi, Augusta Preparatory Day School, daughter of Alarabi and Ghada Elchoufi, Engineering
- Anna N. Flouras, North Augusta High School, daughter of Nicholas Flouras, Engineering

- Nathaniel J. Foutch, South Aiken High School, son of Debra Foutch, Environment, Safety, Health & Quality
- Frederick M. Grimm, North Augusta High School, son of Frederick Grimm, Engineering
- Jessica V. Kaczmarek, North Augusta High School, daughter of Jacek Kaczmarek, Engineering
- William M. McLachlan, Orangeburg Preparatory School, son of David McLachlan, Defense Programs
- Anthony Nguyen, South Aiken High School, son of Julius Nguyen, Infrastructure Services
- Rebecca S. Phifer, North Augusta High School, daughter of Mark Phifer, Savannah River National Laboratory
- Blake A. Stout, Aiken High School, son of Gary Stout, Defense Programs
- Mary S. Valentine, Williston-Elko High School, daughter of Scott Valentine, Environment, Safety, Health & Quality
- Tam V. Van, Davidson Fine Arts School, son of Truong Van, Engineering

Savannah River Nuclear Solutions, LLC, is a Fluor-Daniel Partnership comprised of Fluor, Northrop Grumman and Honeywell, responsible for the management and operations of the Department of Energy's Savannah River Site, including the Savannah River National Laboratory, located near Aiken, South Carolina.
